Zurita's voice. Anteparadise can be read as a creative response, an act of resistance by a young artist to the violence and suffering during and after the 1973 coup that toppled the democratically elected Allende government. Zurita thus follows the example of several Latin American poets such as the Peruvian César Vallejo and Chilean Nobel

Atonement Ian McEwan

2009-03-19 From the Booker Prize winning author of *Amsterdam*, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, *An Atonement* is a

profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

congregation during the nineteenth century. While many factors have been highlighted that help explain the effectiveness of Spurgeon's preaching, the foremost secret that empowered Charles Spurgeon was his devotion to prayer. When people would walk through the Metropolitan Tabernacle, Spurgeon would take them to the basement prayer room where people were always on their knees interceding for the church. Then Spurgeon would declare, "Here is the powerhouse of this church. That statement is backed by the amazing number of sermons that Spurgeon preached on prayer. Spurgeon was a great believer and teacher in passionate, Holy Spirit-directed prayer. His word pictures of the majestic throne of grace that God calls believers to be privileged to come before is well worth the price of the book alone. You will be inspired and challenged in your prayer life, especially if you experience struggles in prayer.

The One-Cent Magenta James Barron 2017-03-07 An inside look at the obsessive, secretive,

and often bizarre world of high-profile stamp collecting, told through the journey of the world's most sought-after stamp. When it was issued in 1856, it cost a penny. In 2014, the one-cent magenta sold at Sotheby's for nearly \$9.5 million, the most money ever paid for a stamp at auction. Following the journey of this highly coveted item, we meet a fascinating gallery of eccentric, rich, and influential characters who have bought, owned, and sold this tiny square of faded red paper. One-cent magentas were provisional stamps, printed in what was British Guiana when a shipment of official stamps failed to arrive. Most were thrown out with the newspapers. But one stamp survived. The singular one-cent magenta has had only nine owners since a twelve-year-old boy discovered it in 1873. He soon sold it—in what many call the worst stamp deal in history—for what would be \$17 today. Among later owners was a wealthy Frenchman who hid the stamp from everyone, including King George V; a

businessman who traveled with the stamp in a briefcase handcuffed to his wrist; and John E. du Pont, an heir to the chemical fortune, who died in prison after murdering Olympic wrestler Dave Schultz.

Together, their stories form a peculiar global history of immense wealth and obsessive desire.

I, Rigoberta Menchu

Rigoberta Menchu 2010-01-12
Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by

the enduring courage and passionate sense of justice of an extraordinary woman.

Lord of the Flies William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction

novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute

individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

When God Rescripts Your Life Jaci Velasquez 2019-10-08

Much of what happens in our lives is not what we planned, not what we expected, and certainly not what we would have chosen. At a young age, Jaci Velasquez's singing career rocketed to stardom, and her marriage thrived—then both suddenly crashed. Losing her reputation, her record label, and even some of her most-treasured relationships, Jaci began a long, healing journey from thinking of herself not as a Christian music darling or a broken young woman but as a

beloved child of God. Today, her renewed faith carries her through a resurrected career, the adventures of a second marriage, and the ups-and-downs of being a mother of a child who has autism. When God Rescripts Your Life is Jaci's exploration of the lessons she's learned living a story full of mistakes and grace, rejection and contentment, worldly success and spiritual rest. Drawing on lessons from biblical characters such as Aaron, Joseph, and Paul, as well as from illustrations from her own life, Jaci reminds us how God loves to rewrite pain and weakness into a glorious tale of redemption. The most difficult parts of life don't need to be removed; they need to be rescripted.

[A Walk Through the Dark](#) Eva Piper 2013-08-06 One day Eva Piper was an elementary school teacher, the mother of three, the beloved wife of a strong, protective husband. The next day she stood at the bedside of a broken man who could do nothing but moan in agony and turn his head away from her. Later she would learn that he had died and actually experienced heaven before being prayed back to life—a true miracle. Don Piper's testimony, told in the New York Times bestseller *90 Minutes in Heaven*, would one day bring hope to thousands. But all that was in the future. Despite family and friends who kept vigil with her, Eva Piper found herself essentially alone. Walking in the dark. And she had always hated the dark. Though it parallels that of her husband, Eva Piper's account is quite different from his. It takes readers not to heavenly places but through a very earthly maze of hospital corridors, insurance forms,

tiring commutes from home to workplace and hospital, and lonely hours of waiting and worrying. This is the story of a woman learning, step by darkened step, to go places she never thought she could go and growing into a person she never thought she could be. Packed with hard-earned wisdom about what it means to be a caregiver, to open yourself to the care of others, and to rest in God's provision, this book provides a dependable source of light to help you walk through the dark.

Evidentiality and Epistemic Modality in Spanish (Semi-)Auxiliaries Bert Cornillie 2007-01-01 This volume presents a systematic and comprehensive analysis of the Spanish evidential semi-auxiliaries *parecer* and *resultar*, the modal constructions with *amenazar* and *prometer*, and the modal auxiliaries *poder*, *deber* and *tener que*. These verbs have never been considered together in a global approach that transcends the classical "verbal periphrases" model.

The book proposes a cognitive-functional account of evidentiality and modality in Spanish with special attention to subjectivity and grounding. The theoretical reflection relies on empirical evidence of two sorts: synchronic and diachronic corpus-analyses alternate with tests that measure the semantic and pragmatic compatibility of the evidential and epistemic constructions with specific sentences. Following the assumption that linguistic forms are determined by their meaning, the array of constructions that characterizes the different verbs justifies their grouping in three pairs of (semi-)auxiliaries: *parecer* vs *resultar*, *amenazar* vs *prometer* and *poder* vs *deber/tener que*. The distributional differences observed in the corpus are further shown to correlate with different degrees of grammaticalization. Primarily intended for scholars working in the field of Spanish functional linguistics, the monograph is also relevant for

grammaticalization studies and for cognitive-semantic research at large. Given its combined theoretical and applied character, the volume is also of interest to anyone concerned with syntactic processes, lexical semantics or the wider area of discourse analysis and pragmatics.

She has wrestled the desire to defend herself, her reputation, and her family while also wanting to let God be her Defender. *God Is Your Defender* is about understanding the motives behind your thoughts and behaviors toward those who have wronged you. Just as she told her 6'1", 210-pound captor that his ultimate "purpose" in life was to end up spending the rest of his life in prison, preaching the teachings of Jesus Christ to his fellow inmates, Smith believes her own purpose is to spread that message of love to the rest of us. Juxtaposing the minute-by-minute tale of her experience with the never-before-told tragedies and triumphs of her own life, *Unlikely Angel* is a gripping tale of downfall and redemption, involving addiction, violence, death, loss, faith, and love. It is a story that will leave no reader untouched.

Waking up in Heaven Crystal McVea 2013-06-24 The remarkable story of a woman, plagued with guilt and skepticism, dramatically changed by the nine minutes she spent in heaven. "God let me see me through His eyes. And in that instant I knew that God had always loved me, through all of those dark and difficult years when I doubted His existence, through every

crisis and every heartbreak that made me turn away from Him more. I knew, in that instant, that His love was endless and boundless, and that if He loved me so much, how could I not love myself?" For most of her life, Crystal McVea was a skeptic whose history of abuse and bad choices made her feel beyond the reach of God--who questioned if God was even real. She had all but given up hope. Then came December 10, 2009--and the moment that changed everything. For nine minutes that night, Crystal went into full respiratory arrest.
