LIFELINE Catherine McGuire 2017-03-31 It had seemed so simple, even fun, when they explained it: New York needed non-satellite-based relay towers. Commco sent me to find towns along the needed pathway, to offer to restore some of the boons of civilization in return for an agreement to build, power and guard the towers. After all, it had only been fifty years. I would never have believed that the countryside would have turned barbaric so fast. Thus begins Martin Barrister's journey through an unfamiliar landscape, where his training and skills are of little help, and only quick wits and creativity will allow him to survive. When his job turns out to be a ruse, and he becomes bait in a dispute he can barely fathom, Martin discovers what loyalty is worth. And what civilization is - and isn't - comprised of.

Bad Karma Deborah Blum 2013-06-22 A TRUE CRIME THRILLER THAT EXPLORES THE DARKEST REGIONS OF ROMANTIC INFATUATION. THE YEAR: 1969 THE SETTING: Berkeley, California THE STORY: Amidst the turmoil of student rebellion two loners encounter each other and turn an innocent flirtation into a dance of death. THE CHARACTERS: Prosenjit Poddar was the brilliant engineering student who wanted nothing more than to return to his native India a big success and to marry a woman of his parents' choosing. Tanya Tarasoff was the naive coed who just wanted somebody to love. And Larry Moore was the young psychologist who thought he recognized the warning signs that his patient was not just suffering from a jilted love affair... but was about to commit an act of murder. THE STAKES: In a culture clash that pits the traditional values of male-dominated India against free-love attitudes of Berkeley in the '60s, an impending tragedy unfolds. Soon Larry Moore finds himself face-to-face with the biggest dilemma of his career. What does a doctor do if he perceives his patient as mentally unstable and a threat to the well-being of another... but is bound by the oath of doctor-patient confidentiality not to warn the police? This true story tracks Moore's race against time to stop the inevitable. BAD KARMA is more than an anatomy of madness; it is also a chronicle of the events that would culminate in a landmark decision handed down by the California Supreme Court. Known simply as Tarasoff, this 1976 ruling would change the oath of confidentiality between therapist and patient, and establish the rule that a mental health professional has the legal duty to protect a threatened individual.

More Than a Game Mark Collins 2016-05-04 Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

The Assassination of Michael Collins S. M. Sigerson 2013-11-15 Non-fiction Biography / history Ireland - War of Independence/Civil

War Description: An in-depth study of the death of Michael Collins, hero of the 1916 Easter Rising, and leader of Ireland's War of Independence. This book offers a startling new perspective on one of history's most notorious unsolved mysteries: his fatal shooting in 1922, while Commander-in-Chief of newly-independent Ireland. Its controversial reconstruction of events at Beal na mBlath may be shocking to some: yet demonstrably fits the known facts and eyewitness accounts. This is the first book on this famous "cold case" in decades; carrying on where John Feehan's landmark edition of 1991 left off. It presents the most complete overview of the evidence ever published; as well as an itemized catalogue of the various witnesses' mutual contradictions and corroborations." *The Sorcerer's Legacy* Brock Deskins 2019-11-05 Azerick has had enough of death and wants nothing more than a home and to train his young apprentice, but death is far from finished with him. An enemy he had hoped to have left behind sets out to destroy him by sending an assassin of uncanny ability and unspeakable evil to avenge the death of his son. A shadow war rages across the kingdom, and it is only a matter of time before Azerick is dragged into it and is forced to put an end to Duke Ulric's schemes once and for all.

Rest Stop Ron Lemco 2011-10-18 Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. Goodbye Iran

Assassins of the Turquoise Palace Roya Hakakian 2011-09-06 A New York Times Notable Book. "A rumination on the Islamic Republic's culture of terror . . . [A] captivating narrative" (PBS). On the evening of September 17, 1992, eight leading members of the Iranian and Kurdish opposition had gathered at a little-known restaurant in Berlin when two darkly-clad men burst through the entrance. Within moments, the roar of a machine gun filled the air. Two rounds of fire and four single shots later, four of the men were dead. One of the survivors of that shooting, along with the widow of one of the victims and a handful of reporters, attorneys, and fellow exiles, began a crusade that would not only pit them against Tehran but against some of the greatest powers in

Germany. When an undeterred federal prosecutor and an endlessly patient chief judge took over the case, a historic verdict followed that shook both Europe and Iran, and achieved something few could have predicted—justice. “This is a brilliant, riveting book, with all the elements of a great thriller—a horrific crime, sociopathic villains, international intrigue, personal betrayals, a noble prosecutor and an honorable judge. And it is all too real: with remarkably comprehensive reporting and brisk, smart writing, Roya Hakakian has told a great story but, more important, she has made plain the lethal immorality at the heart of Iran’s regime” —Joe Klein, Time Magazine

Self Made Bitch Jauwel 2014-02-15 Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

The Kurds in the Middle East Mehmet Gurses 2020-06-22 While dramatic changes taking place in the Middle East offer important opportunities to the Kurdish century-long struggle for recognition, serious obstacles seem to keep reemerging every time the Kurds anywhere make progress. The large Kurdish geography, extending from western Iran to near the eastern Mediterranean, and a century of repression and denial have engendered various Kurdish groups with competing and at times conflicting views and goals. *The Kurds in the Middle East: Enduring Problems and New Dynamics*, with an emphasis on continuity and change in the Kurdish Question, brings together a group of well-known scholars to shed light on this complex issue.

A Beginner's Guide to America Roya Hakakian 2021 "Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider"--

Blessed Burt Boyar 2012-07 An amazing life. As a New Yorker brought up in the world of Broadway theater, the author, Burt Boyar, became a child radio actor earning \$1000 a week in the late 1930's, early 40's, playing Archie on Archie Andrews, Billy Batson on Captain Marvel, Dexter Franklin on Corliss Archer, etc. etc. Then he became a caviar taster, a polo player, a widely syndicated Broadway columnist, close friend and biographer to Sammy Davis, Jr. with the worldwide Best Selling book, *Yes I Can*. Then, an intimate of the world's greatest tennis players, Rod Laver, Ken Rosewall, Lew Hoad, etc. which brought him and beloved wife, Jane, to Spain where they lived for 28 glorious years in a beach house in Marbella as close friends of Chief of State General Francisco Franco's family, among other European dazzlers, until Jane's untimely death brought their idyllic 44 year marriage to an end. Burt returned to the U.S., to Los Angeles, where he is living yet another extraordinary life.

Sons of the Resurrection Billy Arnett 2016-09-20 *Sons of The Resurrection: The Jump to Light Speed and the Realm Eternal*, by Billy Arnett, a scripturally, accurate, fictional account of future events in the Kingdom of God and the transformation of the seven churches, becoming superhuman, immortal, Sons of God... the Sons of The Resurrection. Assisted by the NineChoirs, the Holy angels of God, they face Satan, the powers of darkness, and war torn planet earth on their journey. Warriors and worshipers, they

make the ride of a thousand lifetimes, back to earth from the Wedding Feast, the Marriage Supper of The Lamb, with the Captain of the Lord's Host, the King of Kings, and the Lord of Lords and the armies of heaven. They have been chosen to rule over the nations with a rod of iron during the One Day, a day with no night. Each of the seven sons have their own strengths and weaknesses, attributes that distinguish them from one another, pointed out by Christ himself in the letters to the seven churches, in the Book of Revelation. These writings tell biblically accurate, yet, fictional accounts of their walk on the narrow path to paradise. There they find a city of pure gold and the supernatural abilities afforded them by God through the chemistry of their new glorified bodies with a chemical base of light, instead of water. The transformation, the ride, and the reward bring them to a place of equality with the NineChoirs. After having been made a little lower than the angels, they are now joint heirs with the Son of God, Jesus Christ, and are given the right to sit with Him in his throne as Sons of The Resurrection.

The New Authoritarianism Alan Waring 2018-11-21 This two-volume book considers from a risk perspective the current phenomenon of the new Alt-Right authoritarianism and whether it represents 'real' democracy or an unacceptable hegemony potentially resulting in elected dictatorships and abuses as well as dysfunctional government. Contributing authors represent an eclectic range of disciplines, including cognitive, organizational and political psychology, sociology, history, political science, international relations, linguistics and discourse analysis, and risk analysis. The Alt-Right threats and risk exposures, whether to democracy, human rights, law and order, social welfare, racial harmony, the economy, national security, the environment, and international relations, are identified and analysed across a number of selected countries. While Vol. 1 focusses on the US, Vol. 2 (ISBN 978-3-8382-1263-0) illuminates the phenomenon in the UK, Austria, France, Germany, Netherlands, Norway, Italy, Hungary, and Russia. Potential strategies to limit the Alt-Right threat are proposed.

Evolving Iran Barbara Ann Rieffer-Flanagan 2013-03-22 *Evolving Iran* presents an overview of how the politics and policy decisions in the Islamic Republic of Iran have developed since the 1979 revolution and how they are likely to evolve in the near future. Despite the fact that the revolution ushered in a theocracy, its political system has largely tended to prioritize self-interest and pragmatism over theology and religious values, while continuing to reinvent itself in the face of internal and international threats. The author also examines the prospects for democratization in Iran. Since the early years of the twentieth century, Iranians have attempted to make their political system more democratic, yet various attempts to produce a system where citizens have a meaningful voice in political decisions have failed. This book argues that greater democratization is unlikely to occur in the short term, especially in light of increased threats from the

international community. This accessible overview of Iran's political system covers a broad array of subjects, including foreign policy, human rights, women's struggle for equality, the development and evolution of elections, and the institutions of the political system including the Revolutionary Guards and Assembly of Experts. It will appeal to undergraduates and the general public who seek to understand a country and regime that has mystified Westerners for decades.

A Beginner's Guide to America Roya Hakakian 2022 A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in is also a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, *A Beginner's Guide to America* is Hakakian's candid love letter to America.

Journey from the Land of No Ru?y?a oHakk?akiy?an 2004 An Iranian-American poet recounts her life as a daughter of Jewish parents growing up in Tehran, during which she witnessed the impact of the Ayatollah Khomeyni's return to the nation and contemplated political asylum. 40,000 first printing.

Journey from the Land of No Roya Hakakian 2007-12-18 An emotional, evocative coming-of-age story about one deeply intelligent and perceptive girl's attempt to find her own voice in prerevolutionary Iran "An immensely moving, extraordinarily eloquent, and passionate memoir."—Harold Bloom Roya Hakakian was twelve years old in 1979 when the revolution swept through Tehran. The daughter of an esteemed poet, she grew up in a household that hummed with intellectual life. Family gatherings were punctuated by witty, satirical exchanges and spontaneous recitations of poetry. But the Hakakians were also part of the very small Jewish population in Iran who witnessed the iron fist of the Islamic fundamentalists increasingly tightening its grip. It is with

the innocent confusion of youth that Roya describes her discovery of a swastika—"a plus sign gone awry, a dark reptile with four hungry claws"—painted on the wall near her home. As a schoolgirl she watched as friends accused of reading blasphemous books were escorted from class by Islamic Society guards, never to return. Only much later did Roya learn that she was spared a similar fate because her teacher admired her writing. Hakakian relates in the most poignant, and at times painful, ways what life was like for women after the country fell into the hands of Islamic fundamentalists who had declared an insidious war against them, but we see it all through the eyes of a strong, youthful optimist who somehow came up in the world believing that she was different, knowing she was special. A wonderfully evocative story, *Journey from the Land of No* reveals an Iran most readers have not encountered and re-creates a time and place dominated by religious fanaticism, violence, and fear with an open heart.

Republics of Myth Hussein Banai 2022-04-12 Why does the rift between the US and Iran persist? Iran and the United States have been at odds for forty years, locked in a cold war that has run the gamut from harsh rhetoric to hostage-taking, from crippling sanctions to targeted killings. In *Republics of Myth*, Hussein Banai, Malcolm Byrne, and John Tirman argue that a major contributing factor to this tenacious enmity is how each nation views itself. The two nations have differing interests and grievances about each other, but their often-deadly confrontation derives from the very different national narratives that shape their politics, actions, and vision of their own destiny in the world. The dominant American narrative is the myth of the frontier—that the US can tame it, tame its inhabitants, and nurture democracy as well. Iran, conversely, can claim two dominant myths: the first, an unbroken (but not for lack of trying) lineage back to Cyrus the Great, and the second, the betrayal of Imam Hussein, the Prophet's grandson. Both Iranian myths feature a detestable outsider as an enemy of the Iranian state and source of the nation's ills and misfortune. The two countries have clashed so severely in part, the authors argue, because their national narratives constantly drive them to do so. Drawing on newly declassified documents and discussions with policymakers, the authors analyze an array of missed opportunities over several decades to improve the US-Iran relationship. From the coup d'état that overthrew Iran's legitimate premier Mohammad Mosaddeq to the hostage crisis, the Iran-Iraq War, the 1996 Khobar Towers bombing, post-9/11 antagonisms, and other points of conflict, each episode illustrates anew the weight of historical narratives on present circumstances. Finally, Barack Obama's diplomacy and Donald Trump's determination to undo the 2015 nuclear accord are explored—both examples of the enduring power of America's frontier narrative. Introducing new insights and knowledge in a highly readable narrative, *Republics of Myth* makes a major contribution to understanding this vital conflict.

Killing Kennedy Steven Hager 2017-01-22 Despite an avalanche of disinfo being dumped by the major media over the decades, the assassination of JFK has finally unraveled. A renegade CIA station working with a Sicilian secret society orchestrated the hit, but their participation would never have been so massively covered-up unless they were working for elements higher up the chain-of-command. Whether you are new to this case, or a longtime researcher, you will find these penetrating essays both entertaining and enlightening.

It's a Sin Steve Burford 2016 "He is a talented and very promising young policeman. Make no mistakes, he deserves the

promotion."But when gay Detective Sergeant Dave Lyon is assigned to Detective Inspector Claire Summerskill's team as part of the Service's 'positive discrimination policy', no-one at Foregate Street Station is happy. And that includes Summerskill and Lyon. Mutual suspicion and mistrust must be shelved however, when a young man's beaten body is found on a canal tow path, and a dead-end case of 'happy slapping' unexpectedly turns into a murder investigation. Why would someone want to kill middle class arts student Jonathan Williams? And how is his death linked to that of rent boy and would be 'adult' film star Sean? As Summerskill and Lyon's investigations proceed, the newly promoted detectives begin to untangle a web of connections, false assumptions and sheer prejudices that force them both to question closely not just their relationship with each other but with the rest of their colleagues at Foregate Street Station and with the Police Service as a whole. "It's A Sin" is the first in the "Summerskill and Lyon" police procedural novels.

The Dream of the Turquoise Bee Dianne Aigaki 2012-09-01 In 1959, French photojournalist Girard Pelletier dies while reporting on the Chinese invasion of Tibet. Neither his body nor his notes on Chinese human rights abuses are recovered; his colleagues believe he was murdered. Seventeen years later his wife, Erzebet, receives an official invitation from the Chinese Government to join an educational exchange in the same region where Girard disappeared. She accepts the invitation. She believes she will solve the mystery of her husband's death. She will find his murderers. While in Tibet, a romance flares between Erzebet and Norbu, a handsome nomad. Under the guise of needing someone to protect Erzebet, the village has sent him to stay in her tent. The villagers have Girard's missing notes and are trying to determine if she can be trusted to take them back to the West. Meanwhile, Kai Lun, Erzebet's translator, is an unwilling spy. Police are holding his wife and son hostage until he returns to China with the volatile documents. Kai Lun bullies and browbeats Erzebet, the nomads and local monks in his relentless search to surface the papers and ultimately is forced to confront his own shrinking humanity. What appears to be a scholarly quest evolves into a twisting tale of the police, forbidden romance, dangerous adventures, and personal obsessions played out against the backdrop of the spectacular landscape, exotic people, wildlife and flowers of Tibet.

Choose This Day T. B. Henderson 2017-03-13 As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?
