**The Cage: A Young Children's Guide to the Biblical Teaching on Hell** C. Matthew McMahon 2015-05-04 Little children ought to learn all the teachings Jesus taught about in the Bible. 1/6th of everything Jesus taught about was on judgment and hell. That is a huge amount of teaching on the subject! But how do we teach our children such a hard biblical idea appropriately? In this tastefully illustrated work that is completely in rhyme, the Bible's teaching about hell is outlined in a very easy to understand manner. It is aimed at children 5 to 9 years old, but can certainly be read by any age. It concerns a young boy who we find is trapped in a cage called "Big Sin" and can't escape on his own. The cage is suspended by a chain that is rusting and could break at any moment. What will our young friend do? What is he thinking about as he stands there locked away? He sees others in cages as well, some who don't escape, and some who jump to safety as their prisons doors are opened by a mysterious key. Will our young friend get out? How will he escape THE CAGE?

and brimming with vibrant life energy. Over time, though, the challenges of life constrain that flow, leaving us unbalanced. We often find ourselves stuck in inertia, exhausted by overdoing, or strained and preoccupied with trying to control everything. *Roaming Free Inside the Cage* will help you identify your unique pattern of imbalance and reclaim your inborn freedom so that you can move forward with clarity of vision, confidence in your own power, and composure in the face of life's adversities. "There is much to digest and absorb here, principles and practices, history, symbolism, and poetic expression. This work requires only the caution that, as in much that is written about the Enneagram, we are dealing with subjective internal experience rather than objective external measurement. This is a book on experience of, rather than knowledge about. Come to it with a willingness to use the principles of optimal learning, be receptive and grounded in order to open your heart and mind with curiosity, and have the expectation of benefit. Then you will indeed benefit greatly from this fundamental, deep and penetrating work on the Enneagram and the Dao." *The Journey to Your Ultimate Self* Rabbi Shmuel Reichman 2022-01-17 Everyone will agree that a story needs an ending; unless a story goes somewhere, it's pointless. The purpose of a set-up is to lead toward a conclusion, toward a destination. A story without an ending, without a purpose, is not a story worth telling. The same is true for our lives: we need a destination. We are all part of a larger story, but we're also writing our own individual stories. Hashem created us in this world with unlimited potential, but that was only the "set-up" — the beginning of our story. Without a purposeful destination, a clear goal, and a deeper understanding of who we are and who we are meant to be, the set-up lacks true meaning. We need to make this a meaningful journey — a story of growth, creativity, and contribution. This book is written to help you along your personal journey, to help you become the ultimate version of yourself. As you learn through this sefer, plant the ideas within your mind and soul, and bring them to life. Make your life a meaningful journey, an extraordinary story.

**Healing of CFS / ME** Ingrid -Elenoi- Puth 2020-11-16 In 1987, Ingrid - Elenoi - Puth fell ill with CFS / ME. An active teacher and mother of two healthy children became a disabled person. Literally speaking, a large and dark rock had come into her life overnight and was now blocking it. It took away her breath and her strength to live. Only by following a very painful path - full of diseases and deprivations - did she overcome that rock and reached the saving exit, which led towards the light. You can read about this healing here in the "New Book".

*Crushing the Works of Witchcraft* J.E. Charles 2018-03-02 Witchcraft is enmity against God, godly people and against the Gospel of Christ (Galatians 5:20). Satan has used witchcraft to prevent people from finding holy spirituality in God alone. He uses witchcraft through mediums, horoscopes, and games to entice people away from God (1 Chronicles 10:13). The Holy Scriptures expressly prohibit witchcraft practices because they seek to engage the spiritual world apart from God, it pursues deceptive ways of trying to integrate the material and the spiritual realms (Leviticus 19:26; Deuteronomy 18:10-11). As a result of his studies, the writer concludes that witchcraft: 1. is the opposite of spiritual intimacy. 2. Ignores the fact that Christ exercises His authority over the spiritual world. 3. isolates and dehumanizes. As indicated in Scripture, we have God's protective power over demonic threats: for He will deliver you from the deadly pestilence; and under His wings, you will find refuge; His faithfulness is a shield and buckler (Psalm 91:3-4). Don't be a victim - be wise to

their tricks. In this book, you shall discover: - Hot rugged prayers - Holiness and Faith in Christ to crush the works of witchcraft. - How to exercise your authority in Christ - Freedom and Healing from the works of witchcraft.

Writings through John Cage's Music, Poetry, and Art

David W. Bernstein 2010-06-15 This volume looks at the creative work of the great avant-gardist John Cage from an exciting interdisciplinary perspective, exploring his activities as a composer, performer, thinker, and artist. The essays in this collection grew out of a pivotal gathering during which a spectrum of participants including composers, music scholars, and visual artists, literary critics, poets, and filmmakers convened to examine Cage's extraordinary artistic legacy. Beginning with David Bernstein's introductory essay on the reception of Cage's music, the volume addresses topics ranging from Cage's reluctance to discuss his homosexuality, to his work as a performer and musician, and his forward-looking, provocative experimentation with electronic and other media. Several of the essays draw upon previously unseen sketches and other source materials. Also included are transcripts of lively panel discussions among some of Cage's former colleagues. Taken together, this collection is a much-needed contribution to the study of one of the most significant American artists of the twentieth century.

**RETURN TO SENDER:** J.E Charles 2020-10-23

Return to sender can also be described as a divine law, which God has established, to address all the forms of diabolical arts of witchcraft manipulations against innocent souls. (Joel 3:4,7; Ps 7:16, Ps.79:12, 2 Thessalonians 1:6) If someone mailed a suspicious package to you,

what would you do? Return to Sender! If you do not return those packages, then you are accepting the consequences. The author has outline biblical truths in this book on spiritual warfare to help us pray effectively against the works of darkness. Vengeance is mine, I will Repay." Says the Lord, It's only the will of God to determine the choice of action on the senders, as we stand in prayer by putting on the full armor of Christ. Our experience shows that He DOES take action.(br) In this book, you will learn how to: . reverse and return witchcraft curses back to the sender . apply the biblical principles and the law of boomerang . obtain victory over terrible dreams, black magic, voodoo, and ritualistic curses . overcome the strongholds of mental and physical fatigue, confusion, emptiness, accidents, disorientation, affliction, the demonic cage of poverty, material adversity, DNA bondage, soul ties, jealousy, the loss of self-control, reputation, and break free from all limitations binding your thoughts. . reclaim your freedom and receive breakthroughs in many areas of your life, such as healing, finances, career, unhealthy dependencies, and family relationships. Get ready to wage the good warfare.

The Roaring Silence David Revill 2014-06-03 John Cage has been described as the most important composer of our time. He combined classical European training with Eastern spirituality to produce an American amalgam of such vitality and originality that it continues to define what we mean by avant-garde. His influence has touched generations of artists, including Philip Glass, David Byrne, and his longtime collaborator Merce Cunningham. His work and ideas have influenced not only the world of music but also dance, painting, printmaking, video art, and poetry. The Roaring Silence documents his life in unrivaled detail, interweaving a close account of the evolution of his work with an exploration of his aesthetic and philosophical ideas, while placing these in the greater perspective of American life and letters. Paying due attention to Cage's inventions, such as the prepared piano, and his pioneering use of indeterminate notation and chance operations in composition (utilizing the I Ching), David Revill also illuminates Cage the performer, printmaker, watercolorist, expert amateur mycologist, game show celebrity, political anarchist, and social activist. Arnold

Schoenberg once called Cage “not a composer, but an inventor—of genius.” This revised edition presents never-before-seen correspondence between Cage and other luminaries of his day, as well as new analysis into his legacy. The Roaring Silence celebrates the life and work of this true American original.

**The New Age Is the New Cage: Unveiling Spiritual Falsehood and Hidden Darkness of the New Age Deception.** Tony Sayers

2018-10-13 There is, without doubt, a spiritual awakening taking place on the Planet right now. People in their droves are starting to understand that they are so much more than just a physical body roaming around lost. There is a new self-awareness taking place as people are starting to find their spiritual identities. As exciting as this sounds, and it really is wonderful, there are many pitfalls and cul-de-sacs along the 'New Age' path to be very wary of. This spiritual awakening is something that the 'powers that shouldn't be' have been aware of for many years, and the architects of the current control system we live under know that if we figure out that we are a lot more than just worker bees for the system then it threatens their own power. This New Age scene now seems to be littered with bypassing, avoidance, ego and blindly following anything that makes us feel good. In my opinion, this new kind of pseudo-spirituality is not getting to the root causes of our problems. With many years of working in and around this arena, I can see first hand the potential pitfalls taking place. By reevaluating and in some cases dismantling some of these rigid beliefs found within the New Age, we can move forward with what I would call 'streetwise spirituality.' We also need to take note of the metaphysical realms and the manipulations going on in that dimension which I break down in the book. Only once we have faced the darkness in both ourselves and the World around us can we move forward and truly evolve in an authentic way, a place where we can have REAL 'love and light'.

Where the Heart Beats Kay Larson 2012-07-05 A “heroic” and “fascinating” biography of John Cage showing how his work, and that of countless American artists, was transformed by Zen Buddhism (The New York Times) Where the Heart Beats is the story of the tremendous changes sweeping through American culture following the Second World War, a time when the arts in America broke away from centuries of tradition and reinvented themselves. Painters converted their canvases into arenas for action and gesture, dancers embraced pure movement over narrative, performance artists staged “happenings” in which anything could happen, poets wrote words determined by chance. In this tumultuous period, a composer of experimental music began a spiritual quest to know himself better. His earnest inquiry touched thousands of lives and created controversies that are ongoing. He devised unique concerts—consisting of notes chosen by chance, randomly tuned radios, and silence—in the service of his absolute conviction that art and life are one inseparable truth, a seamless web of creation divided only by illusory thoughts. What empowered John Cage to compose his incredible music—and what allowed him to inspire tremendous transformations in the lives of his fellow artists—was Cage’s improbable conversion to Zen Buddhism. This is the story of how Zen saved Cage from himself. Where the Heart Beats is the first book to address the phenomenal importance of Zen Buddhism to John Cage’s life and to the artistic avant-garde of the 1950s and 1960s. Zen’s power to transform Cage’s troubled mind—by showing him his own enlightened nature—liberated Cage from an acute personal crisis that threatened everything he most deeply cared about: his life, his music, and his relationship with his life partner, Merce Cunningham. Caught in a society that rejected his art, his politics, and his sexual orientation, Cage was transformed by Zen from an overlooked and marginal musician into the absolute epicenter of the avant-garde. Using Cage’s life as a starting point, Where the Heart Beats looks beyond to the individuals Cage influenced and the art he inspired. His creative genius touched Robert Rauschenberg, Jasper Johns, Andy Warhol, Yoko Ono, Alan Kaprow, Morton Feldman, and Leo Castelli, who all went on to revolutionize their respective disciplines. As

***Winning Spiritual Warfare*** Rutendo Samantha Nazitwere 2017-05-30 From the beginning the devil envied God and wanted to be worshipped. He rebelled against God and was thrown out of heaven. From that time there has been a war between God and the devil. This is the Genesis of Spiritual Warfare. In the Garden of Eden, the

devil succeeded in tempting Adam and Eve. The first created beings forfeited all the blessings God had given them and were cursed. The Lord Jesus had to come to offer Himself that all creation may be set free from the curse of the law and sin. Even after the crucifixion of Jesus, the devil is still fighting God's people like never before. This book is going to help you combat warfare in the spiritual realm and I will share some of my real-life experiences in spiritual warfare. This life changing book will expose the devil, his tactics and will certainly encourage and strengthen you to keep hoping and fighting. Giving up in life is not an option. As you read, know that you are a soldier of Christ. 1 Corinthians 10:13 says, "No temptation has overtaken you except such is common to man, but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also provide a way of escape, that you may be able to bear it." ***Frontiers*** Karen Bell-Kanner 2013-09-13 First Published in 1998. ***The Silent Killers of the Faith*** Stephen Crosby

2004 Like poor driving, legalism is the 'other guy's' problem -- the idiot is always in the other car. Crosby delivers a powerful punch in this expose on legalism as he shows that is a problem for all of us. It is a silent killer and the author seeks to expose all of its treacherous tentacles. Legal and performance-based religion is the most prevalent, unrecognized, and deleterious malady affecting the individual believer and the Church universal.

***Where the Heart Beats*** Kay Larson 2013-07-30

A "heroic" biography of John Cage and his "awakening through Zen Buddhism"—"a kind of love story" about a brilliant American pioneer of the creative arts who transformed himself and

his culture (The New York Times) Composer John Cage sought the silence of a mind at peace with itself—and found it in Zen Buddhism, a spiritual path that changed both his music and his view of the universe. “Remarkably researched, exquisitely written,” *Where the Heart Beats weaves together “a great many threads of cultural history”* (Maria Popova, Brain Pickings) to illuminate Cage’s struggle to accept himself and his relationship with choreographer Merce Cunningham. Freed to be his own man, Cage originated exciting experiments that set him at the epicenter of a new avant-garde forming in the 1950s. Robert Rauschenberg, Jasper Johns, Andy Warhol, Yoko Ono, Allan Kaprow, Morton Feldman, and Leo Castelli were among those influenced by his ‘teaching’ and ‘preaching.’ *Where the Heart Beats* shows the blossoming of Zen in the very heart of American culture.

*Let My People GO!: 21 Days Fasting and Prayers for Breakthrough and Deliverance* J.E. Charles 2016-03-16 True freedom is the freedom to serve God. Matthew 17:21 declares "But this kind does not go out except by prayer and fasting" this scripture tells us that there are some spirits in a person, region, or nation that cannot be overcome without fasting. Many believers struggle with certain limitations that they cannot seem to break through. A revelation of the power of fasting will result in victories that would not be ordinarily obtained. Whoever the Pharaoh is that is confronting your destiny shall bow in the name of Jesus. A life of consistent fasting will cause many victories to manifest. God’s will is for every believer to live a life of victory with nothing being impossible.

**Mavericks and Other Traditions in American Music** Michael Broyles 2008-10-01 From colonial times to the present, American composers have lived on the fringes of society and defined themselves in large part as outsiders. In this stimulating book Michael Broyles considers the tradition of maverick composers and explores what these mavericks reveal about American attitudes toward the arts and about American society itself. Broyles starts by examining the careers of three notably unconventional composers: William Billings in the eighteenth century, Anthony Philip Heinrich in the nineteenth, and Charles Ives in the twentieth. All three had unusual lives, wrote music that many considered incomprehensible, and are now recognized as key figures in the development of American music. Broyles goes on to investigate the proliferation of eccentric individualism in all types of American music—classical, popular, and jazz—and how it has come to dominate the

image of diverse creative artists from John Cage to Frank Zappa. The history of the maverick tradition, Broyles shows, has much to tell us about the role of music in American culture and the tension between individualism and community in the American consciousness.

*The Making of an Apostle, Volume 2, "For People Like Me"* Apostle Sharon Loving Ruff 2013-07-10 Apostle Sharon Loving Ruff unashamedly details her amazing true life odyssey as she evolves from dungeons of shame, rejection and depression to the birthing of a profound new reality of joy, peace, happiness and purpose in fulfilling God's chosen destiny. This book charts her remarkable supernatural survival after her mother aborted her, and her quest for acceptance and purpose after multiple sexual abuses before age five, suicidal attempts, rapes, teen pregnancy and being a high school dropout. These obstacles to success, as well as, two failed marriages and single parenting however did not prevent a forward movement toward her destiny. After reaching adulthood, she achieved a General Education Diploma certificate, graduated from American University and reached pinnacles of success she thought never possible for "someone like her." Then, by age 35, once again, her life was filled with depression and despair, and she decided to agree with the voices in her head

suggesting suicide to end her pain. At that very moment, her choice threatened her divine destiny and instantly, she was propelled into an encounter with the Almighty God where she heard Him audibly pronounce, "I am your Heavenly Father and everything will be alright." Her life immediately took on new meaning and she was never the same. This book shares gold nuggets of truth from 27 years of intimacy with God, awesome experiences and supernatural encounters obtained while serving as an evangelist, teacher and prophet. Within these pages is a bountiful harvest of revelation knowledge, keys to unlock mysteries, strategies for spiritual growth and development, rules of engaging in spiritual warfare, and so much more. Pray Your Way to Breakthroughs Dr. D. K.

Olukoya 2016-05-04 Pray Your Way to Breakthroughs enhances the prayer life with sharper focus. It is designed to expose and cut at the root of spiritual problems in order to bring victory. Matthew 3:10 says, "And now also the axe is laid to the root of the trees: therefore every tree which brings not forth good fruit is hewn down, and cast into the fire." Stubborn and recurring problems may be the result of not attacking them at their roots - this book provides help to identify and attack those roots.

**Criminals in the House of God** Dr. D. K. Olukoya 2016-05-29 Criminals in the House of God. Criminals are commonly found in police cells, in the prisons, in courts, in the streets or generally in dark and unholy places. But you may be surprised to know that there are actually criminals in the house of God. The state of the church these days is very lamentable. God is going to clean His house and any unprofitable tree shall be uprooted. A certain pastor had his congregation weighed on the scale by an angel of God. Out of 2,900 people in the church only 80 were ready for heaven. It will be very sad if the trumpet sounds!

Eternity Weighed in the Balance C. Matthew McMahon 2005-08-09 Eternity is a long time. Four out of five people believe in heaven and hell, but what does the Bible say about eternal life? Perhaps you have asked yourself these questions: Are heaven and hell REAL? How can a loving God send people to hell forever? Is heaven just for good people? How can I live forever with God? Will God let me into His heaven? Does God

love me? Where will I go when I die? Does God have a plan for my life? These are the most important questions of life, and very few people have real answers. God's answers to these questions are in the Bible. The book covers the Bible's teachings of heaven, hell, and salvation.

**500 Prayers Against Spiritual Attack** Dr. Olusola Coker 2018-09-01 .This Book Contains 500 Powerful prayers against the powers of darkness, Evil forces, Powers of the Witches and all rulers of darkness of this world. According to Ephesians 6:12 which states "For we wrestle not against flesh and blood, but against principalities, against powers of darkness, against spiritual wickedness in high places." When considering Prayers against the powers of darkness we need to understand that we are in a war. Battles make up smaller components of the bigger picture. By definition, battles involve combat between two persons, between factions, between armies and they consist of any type of "extended contest, struggle, or controversy" As Christians, we are in a spiritual battle of some sort on a daily basis. In warfare, battles are fought on different fronts, for different reasons, and with varying degrees of intensity. The same is true in spiritual warfare. Our spiritual battles and warfare are real, though we cannot physically see the attacker. But, we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis. We have to ask ourselves, "Why do we even want to fight?" It will do us no good to educate ourselves on the battle if we see no reason for the fight. War is very controversial today in the physical realm. Those attitudes, beliefs and convictions will transfer over to the spiritual realm. However, in the spiritual realm, there is a battle going on regardless of our opinion. We are either victors or victims. Jesus has come and conquered. The war is already won in the heavens. Jesus told us in Matthew 28:18 that, "All authority has been given to me in heaven and on earth." We now have the privilege of having an eternal relationship with God. Many of us enter into that covenant of salvation by

grace. But the Matthew 28:18 verse is not only about our salvation; it is also about our every day victory, which adds up to victorious living in Christ. Every day victory is achieved by knowing, believing and understanding the battles that we are enduring daily, regardless if we are passive or active in the battles. Do you want all that God has for you on this earth right now, or do you want to wait until you get to heaven to receive the victory and blessings? In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious. The prayers ensure that you will recover all your possessions and your God given potentials in you. You will also get back all that the Devil has taken away from you. Are you facing the following challenges, living in an anti-Christ nature and following their Doctrine, Living out of faith, Sexual temptations for unmarried, Sexual harassment, Divorce, Destruction of life, Poverty, Lack of focus, Confusion, Homosexualisim, Lesbianism, Drug Addiction, Joblessness., No sense of Direction, Confusion, Lazy to Prayer , Not willing to server God, and many more.
