**Children With High-Functioning Autism** Claire E. Hughes-Lynch 2021-09-03 Children With High-Functioning Autism: A Parent's Guide offers parents the information needed to help them cope with their child's autism and to navigate the path as they first perceive differences, seek assistance and treatment, and help their child develop into his or her full potential. Including examples of the author's own experiences with her child with autism, this book helps families realize that there are others on similar paths—and that help is available. With topics ranging from understanding the first signs of autism and the diagnosis, finding a support network, and filling out necessary paperwork, to determining the various types of therapies available and planning for adulthood, this book provides parents with valuable insight into this new world. With an emphasis on high-functioning autism, Pervasive Developmental Disorder-Not Otherwise Specified, and Asperger's syndrome, Children With High-Functioning Autism: A Parent's Guide helps parents learn to celebrate small areas of growth and keep the focus on the child.

**The Everything Parent's Guide to the Defiant Child** Jesse Jayne Rutherford 2010-03-18 Dealing with defiant children can be frustrating, time-consuming, and emotionally exhausting for parents and kids alike. But with this practical, reassuring handbook, you no longer have to feel helpless. You'll learn how to defuse the negativity, hostility, antagonism, and explosive anger that can ruin your child's relationships with family, friends, teachers, and other authority figures. This book helps you to: Choose which battles to fight Follow thorough Be consistent Communicate clear expectations and consequences (without yelling) Give your child some power over his life Reinforce positive changes Most important, you'll learn why defiance happens and how to react when it does. You will adopt the parenting and anger-management skills you need to make a real difference in your child's life. You'll help your child control his emotions—and grow up to be healthy, well-rounded adult.

*Motivate Your Child* Scott Turansky 2015-02-03 We need a parenting revolution! Most parenting approaches end up encouraging children to ask the wrong questions about life: What's in it for me? Are you going to pay me for that? What's the minimum I need to do to get by? But God's Word gives us a better way to parent, one that builds strong internal motivation in children. When parents change the way they parent, kids change the way they live. This practical book explores a theology of internal motivation and then gives parents real-life solutions to equip their kids for life. You'll learn . . . • how to parent in ways that build internal motivation so that kids don't have to rely on you to get things done. • the four promptings of the conscience and how to coordinate your parenting to take advantage of them. • ways to energize your spiritual training with fun and creativity. • how to help children respond to mistakes instead of blaming, defending, or justifying. The greatest gift you can give your child is strong moral and spiritual development—this book shows you how. Every chapter includes practical examples of families applying the Bible to their current issues. Join the revolution!

**Your Special Education Rights** Jennifer Laviano 2017-08-15 Drawing on decades of experience, Jennifer Laviano, a high-profile special education attorney, and Julie Swanson, a sought-after special education advocate, help parents of students with disabilities navigate their school systems to get the services they need for their children. Parents will find no other book on special education like *Your Special Education Rights*. Julie and Jennifer demystify the federal laws that govern the rights of public school children with disabilities and explain how school districts often ignore or circumvent these laws. They pull the curtain back on the politics of special education, exposing truths that school districts don't want you to know, such as the fact that teachers are often under extraordinary pressure not to spend resources on services. Most importantly, they outline the central rights you and your child have regarding your child's education. Did you know that you can refer your child for a special education evaluation? That you can ask for a second opinion if you disagree with the results of some or all of the testing? That you are entitled to parent counseling, training, and more? They also show you how to take that knowledge and apply it to advocating for your child. Here's what you need to know about the paperwork you will have to complete, detailed information on how to advocate for your child and how to craft language in documents that benefit your child, and more. Filled with vital information and invaluable resources, *Your Special Education Rights* gives you the information you need to help your child succeed in school and beyond.

*The Everything Parents' Guide to ADHD in Children* Carole Jacobs 2010-06-18 A roadmap to a common—but complicated—disorder. Is there a cure for ADHD? What symptoms should you be looking for? Could your child be misdiagnosed? When your child is diagnosed with ADHD, you want to do all you can to get the help you need to support your child. Unfortunately, the vast amount of information on ADHD can be overwhelming and leave you feeling frustrated, stressed, and powerless to help. But with the professional, accessible advice presented here, you can get the one-stop support you need to: Obtain and understand a diagnosis Find the right treatment Discipline your child effectively Get your child to focus at home and school Stay positive, and encourage your child This guide provides an all-encompassing look at ADHD so that you can feel confident about taking the necessary steps to create a better future for your child.

**The Everything Parent's Guide To Childhood Illnesses** Leslie Young 2007-03-13 Written by a recognized M.D. with his own pediatric office, *The Everything Parent's Guide to Childhood Illnesses* debunks the myths and offers you a trusted reference for recognizing and troubleshooting common childhood illnesses. With this book, you will feel confident that you can handle common ailments and gauge the seriousness of your child's condition. This helpful guide covers newborns to adolescents, offering detailed information and helpful tips on: \*Diaper rashes and skin problems \*Antibiotics and vaccines \*When to worry about a fever \*Cold remedies for infants \*Bedwetting Dr. Young gives you the straight facts, helping you avoid costly doctor visits and worrisome, sleepless nights. *The Everything Parent's Guide to Childhood Illnesses* will help you sleep better at night, knowing you have the tools and know—how to raise a happy, healthy child.

**The Parents' Guide to Climate Revolution** Mary DeMocker 2018-03-05 "Relax," writes author Mary DeMocker, "this isn't another light bulb list. It's not another overwhelming pile of parental 'to dos'; designed to shrink your family's carbon footprint through eco-superheroism." Instead, DeMocker lays out a lively, empowering, and — doable — blueprint for engaging families in the urgent endeavor of climate revolution. In this book's brief, action-packed chapters, you'll learn hundreds of wide-ranging ideas for being part of the revolution — from embracing simplicity parenting, to freeing yourself from dead-end science debates, to teaching kids about the power of creative protest, to changing your lifestyle in ways that deepen family bonds, improve moods, and reduce your impact on the Earth. Engaging and creative, this vital resource is for everyone who wants to act effectively — and empower children to do the same.

**The Everything Parent's Guide to Raising a Gifted Child** Robbins Med Herbert 2011-12-15 Raising a gifted child is both a joy and a challenge. Gifted and exceptional children can seem self-sufficient, but it takes more than intelligence to lead a happy and fulfilling life. Your child need your support and advocacy in school, in social situations, and even at home. This guide shows you how to encourage and foster your gifted child from birth to adolescence, including information on How to determine if your child is gifted Options for school programs and activities Dealing with perfectionism and stress Setting realistic and healthy goals for your child Ensuring proper socialization and friendship Coping with jealousy and bullying from other children Packed with useful and professional advice, this is a reassuring guide to help your gifted child grow, thrive, and develop his talents.

*The Everything Parent's Guide To Sensory Processing Disorder* Terri Mauro 2014-06-06 If your child has been diagnosed with sensory processing disorder (SPD), you understand how simple, everyday tasks can become a struggle. With this guide you can help your child learn how to reduce stress and minimize the symptoms of SPD.

*The Everything Parent's Guide to the Overweight Child* Paula Ford-Martin 2005-04-01 Rising obesity and diabetes rates have become a national epidemic in America, and no age group is more affected than today's children. The Everything® Parent's Guide to the Overweight Child gives parents practical advice for helping their children develop the skills needed to lead a healthy, active lifestyle. Includes professional advice on how to: Prepare healthier meals at home that kids will actually eat; Find ways to encourage more exercise and outdoor activity; Maintain a child's positive self-esteem. Filled with vital information that can positively alter a child's future, *The Everything® Parent's Guide to the Overweight Child* is a parent's must-have reference for preventing and combating a child's obesity.

*The Everything Parent's Guide to Raising Mindful Children* Jeremy Wardle 2013-06-18 Mindful kids are less stressed, more focused, and much happier! Mindfulness means paying attention on purpose. This sounds simple, but it's not always easy, even for children. Kids face stress every day as they try to fit in with their peers, worry about grades, and struggle to sit still in a classroom. With *The Everything Parent's Guide to Raising Mindful Children*, you'll learn how practicing mindfulness can help your child refocus attention to reduce anxiety, control emotions and behavior, and even improve grades. Being mindful will help your child: Become more self-aware. Control emotions. Empathize with others. Achieve academic and social success. The Everything Parent's Guide to Raising Mindful Children uses techniques such as meditation and sensory awareness to help your child gain more self-control and be less stressed. You'll also learn how to use mindfulness in your own life! With repetition, these exercises will help your children to manage their own emotions and reach their full potential, now and for years to come.

*The Everything Parent's Guide To The Strong-Willed Child* Carl E Pickhardt 2005-08-01 All children need guidance, yet some are definitely more resistant to parental direction and advice than others. Parenting a child whose personality may be described as "difficult" or "controlling" can leave you conflicted and frustrated. How do you nurture your child, get him to listen, and know who's in charge? It can be done. The Everything Parent's Guide to the Strong-Willed Child helps you work around stubborn and argumentative behavior. You'll learn how to encourage your child to compromise and communicate with you, rather than make unreasonable demands and/or shut down altogether. By learning what makes your child strong-willed, the effects of such behavior, and how to manage it, you can help your child achieve a more tempered disposition and teach him the lifelong rewards of a positive attitude. Psychologist Carl E. Pickhardt shows you how to: Regain control of your family Reap the benefits of healthy communication Discipline to teach, not to punish Resolve conflict between you and your child effectively Overcome willfulness in older children The Everything Parent's Guide to the Strong-Willed Child is your all-inclusive guide to regaining, and maintaining, a healthy and happy family.

**Everything, Everything** Nicola Yoon 2015-09-01 Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Oly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Oly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Oly. It's almost certainly going to be a disaster.

Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions. **A Parent's Guide to Managing Childhood Grief** Katie Lear 2022-07-05 Help your child navigate feelings of sadness and loss with 100 unique, activity-based approaches that help them manage their childhood grief in a healthy and constructive way. The loss of a loved one is a complex, confusing experience for a child to understand. Children may struggle to express, process, and manage their complicated and conflicting feelings, whether the loss is a parent, grandparent, sibling, or even a pet. So, what should you do to help your child process their sadness, loss, and frustration in a more healthy, positive way? In *A Parent's Guide to Managing Grief*, you'll learn everything you need to know about how children grieve and what you can do to support them during their most difficult moments. From there, you'll find 100 activities that you can use in a group setting, activities that you (or another caregiver) can do alone with your child, and ways to make the most of virtual interactions to support a grieving child. Explore activities like: -Making a scream box -Playing with clay -Feelings charades game -Making a memory bracelet -And many more! It can feel difficult to connect with your child as you process your own complicated emotions surrounding loss. Use these activities to help bridge the gap between you and your child and to help you both find comfort in a difficult situation. You'll find all the tools you need to help your child (and even yourself!) healthily process your grief and move toward happiness, understanding, and acceptance together.

**The Everything Parent's Guide To Children With Juvenile Diabetes** Moira McCarthy 2007-04-02 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

**The Everything Parent's Guide To Children With Depression** Rebecca Rutledge 2007-06-04 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

**The Everything Parent's Guide to Children with Executive Functioning Disorder** Rebecca Branstetter 2013-12-06 The vital skills children need to achieve their full potential! Being organized, Staying focused, Controlling impulses and emotions. These are some of the basic executive functioning (EF) skills children need to function and succeed as they grow. But what can you do if your child is struggling with one or all of these skills? With this hands-on guide, you'll learn what EF difficulties look like and how you can help your child overcome these challenges. Psychologist Rebecca Branstetter teaches you how to help improve the executive functions, including: Task initiation Response inhibition Focus Time management Working memory Flexibility Self-regulation Completing tasks Organization With checklists to help enforce skills and improve organization, *The Everything Parent's Guide to Children with Executive Functioning Disorder* is your step-by-step handbook for helping your child concentrate, learn, and thrive!

**The Everything Parent's Guide to Children with Dyslexia** Abigail Marshall 2013-07-18 Help your child succeed in the classroom—and in life! As a parent of a child with dyslexia you may wonder what you should expect as your child goes through life. How can you help your child deal with school and succeed? It's true, there are challenges for children with dyslexia, but when identified early, they can be overcome successfully. Abigail Marshall, manager of dyslexia.com, shows you how to: Identify the early symptoms of dyslexia. Work with teachers to create an Individualized Education Program (IEP). Reduce homework struggles. Find the best treatment program.

Help your child develop skills with the use of assistive technology. Plan for college and career. *The Everything Parent's Guide to Children with Dyslexia*, 2nd Edition is your first step in facing the challenges of dyslexia with a positive attitude.

**The Everything Parent's Guide to Children with OCD** Stephen Martin 2008-08-17 OCD can make a child's life difficult, turning simple tasks like homework and chores into almost impossible challenges. A child with OCD may feel stressed, worried, and even inadequate. Parents who suspect their child is suffering from OCD—or parents of a child with an OCD diagnosis—can now rest. This helpful guide helps parents with many issues: recognize symptoms; get an accurate diagnosis; find the right doctor and therapist; develop strategies for tackling schoolwork; and decide on the right treatment. Parents will learn how to talk to a child about OCD and devise coping strategies for school, sports, friendships, and other everyday situations. Children with OCD can learn how to enjoy life—without all the worry!

**The Everything Parent's Guide to Children with Autism** Adelle Jameson Tilton 2010-10-18 Life with a child with autism can be challenging, exhausting, and - ultimately - very rewarding. For parents, even daily activities like getting dressed or grocery shopping can become daunting exercises. Children with autism require special strategies, and parents must learn how to think with their child instead of against him. This comprehensive guide offers practical advice, reassurances, and real-life scenarios to help families get through each day. You'll discover how to: Communicate effectively with their child Find a school that meets their child's needs Handle meltdowns in public or private Learn about assistive devices Find intervention and support groups Full of useful information, expert advice, and positive techniques, this guide is the valuable tool you and your family need to make the most of every day - one interaction at a time!

*The Everything Parent's Guide to Raising Your Adopted Child* Corrie Lynn Player 2008-09-17 For the estimated 2 million families in the United States waiting to adopt a child, the decision of which avenue to pursue can be overwhelming: domestic or international, older child versus younger, children with special needs?and the list goes on. This title offers all the information any potential or newly adoptive parent might need. This essential guidebook is packed with reassuring advice on how to handle the most common issues: questions to ask before adopting; bonding techniques?from newborn to teenager; adopting children with special needs; navigating international adoptions; helping the adopted child understand and cope with feelings of loss and abandonment; and navigating blended families, single parenting, or same-sex partnerships. With this book by their side, adoptive parents will bond with their child for a lifetime!

**At the End of Everything** Marieke Nijkamp 2022-01-25 From the #1 New York Times bestselling author of *This Is Where It Ends* comes another heartbreaking, emotional and timely page-turner that will keep you on the edge of your seat. The Hope Juvenile Treatment Center is ironically named. No one has hope for the delinquent teenagers who have been exiled there; the world barely acknowledges that they exist. Then the guards at Hope start acting strange. And one day...they don't show up. But when the teens band together to make a break from the facility, they encounter soldiers outside the gates. There's a rapidly spreading infectious disease outside, and no one can leave their houses or travel without a permit. Which means that they're stuck at Hope. And this time, no one is watching out for them at all. As supplies quickly dwindle and a deadly plague tears through their ranks, the group has to decide whom among them they can trust and figure out how they can survive in a world that has never wanted them in the first place. Also by Marieke Nijkamp: *This Is Where It Ends* Even If We Break Before I Let Go Praise for Marieke Nijkamp: "Immersive and captivating. Thrilling in every sense of the word."—Karen M. McManus, #1 New York Times bestselling author of *One of Us Is Lying* on *Even If We Break* "With exceptional handling of everything from mental illness to guilt and a riveting, magic realist narrative, this well written, haunting novel will stick with readers long after the final page."—Booklist on *Before I Let Go* \*STARRED REVIEW\* "A compelling, brutal story of an unfortunately all-too familiar situation: a school shooting. Nijkamp portrays the events thoughtfully, recounting fifty-four intense minutes of bravery, love, and loss."—BookRiot on *This Is Where It Ends*

**So Young, So Sad, So Listen** Philip Graham 2020-06-30 Has your daughter lost her sparkle? Has everyday life become a trial for your son? This book, written by two experts in child and adolescent mental health, describes how to recognise depression and what causes it, and provides guidance on how parents can support their child, including up-to-date advice on seeking professional help. It gives advice on how to tell the difference between normal responses to stress and symptoms that are more concerning. It covers topical issues such as academic pressure, social media, getting a grip on screen time and cyber-bullying. You will also be given information about the different treatment options provided by child and adolescent mental health services, as well as practical advice and information about the support you can give at home.

*The Everything Parent's Guide To Children With Dyslexia* Jody Swarbrick 2004-09-10 Although dyslexia affects 10 to 15 percent of the U.S. population, only 5 out of every 100 dyslexics are recognized and receive assistance. If you're the parent of a child with dyslexia, this statistic can be disconcerting, especially when it comes to your child's academic performance and developing social skills. The Everything Parent's Guide to Children with Dyslexia gives you a complete understanding of what dyslexia is, how to identify the signs, and what you can do to help your child. This authoritative book seeks to alert parents to the special needs associated with this learning disability and offers practical suggestions for getting involved in the classroom. The Everything Parent's Guide to Children with Dyslexia shows you how to: Select the right treatment programs for your child Secure an IEP Choose a school and reduce homework struggles Develop your child's skills with the use of assistive technology Maintain open communication and offer support *The Everything Parent's Guide to Children with Dyslexia* is your first step in facing the challenges of dyslexia with a positive attitude.

**The Everything Parent's Guide to Emotional Intelligence in Children** Korrel Kanoy 2013-03-18 Put your child on the path to success! A child's emotional intelligence has been shown to be one of the strongest factors in whether or not that child will be successful later in life. A child with high emotional intelligence (EQ) has good self-control, resilience, and empathy—all factors that help build a foundation for a more grounded, satisfying, and successful life. With *The Everything Parent's Guide to Emotional Intelligence in Children*, you will learn how to help your child: Improve academic achievement and behavior. Achieve mindfulness. Understand emotions. Empathize with others. Improve self-confidence. Build inner resilience. This hands-on guide shows you exactly how to promote core EQ skills in your child and provides you with all you need to help your children achieve their greatest potential.

*A Parent's Guide to Gifted Children* James T. Webb 2007 Raising a gifted child is both a joy and a challenge, yet parents of gifted children have few resources for reliable parenting information. The four authors, who have decades of professional experience with gifted children and their families, provide practical guidance in areas such as: Characteristics of gifted children, Peer relations, Sibling issues, Motivation and underachievement, Discipline Issues, Intensity, perfectionism, and stress, Idealism, unhappiness, and depression, Educational planning, Parenting concerns, Finding professional help. Book jacket.

*The Everything Parent's Guide to Raising Boys* Cheryl L. Erwin 2010-12-18 Presents tips and advice for raising boys from infancy to their teenage years, and provides information on such issues as self-image, behavior training, friendships and sexuality, and academic success.

*A Parent's Guide to Raising Grieving Children* Phyllis R. Silverman 2009 When children lose someone they love, life is never the same. In this sympathetic book, the authors advocate an open, honest approach, suggesting that our instinctive desire to "protect" children from the reality of death may be more harmful than helpful.

**The Edge of Everything** Jeff Giles 2017-01-31 "A sharp fantasy thriller." -"People "Swoonworthy." -"Time "Sharp, dark, thoughtful and romantic." --Cassandra Clare, #1 New York Times bestselling author When their worlds collide, X and Zoe are pushed to the edge of everything in this much-buzzed-about tour de force YA fantasy from Entertainment Weekly veteran Jeff Giles. For the perfect love, what would you be willing to lose? It's been a shattering year for seventeen-year-old Zoe, who's still reeling from her father's shocking death in a caving accident and her neighbors' mysterious disappearance from their own home. Then on a terrifying subzero, blizzardy night in Montana, she and her brother are brutally attacked in the woods—only to be rescued by a mysterious bounty hunter they call X. X is no ordinary bounty hunter. He is from a hell called the Lowlands, sent to claim the soul of Zoe's evil attacker and others like him. X is forbidden from revealing himself to anyone other than his prey, but he casts aside the Lowlands' rules for Zoe. As they learn more about their colliding worlds, they begin to question the past, their fate, and their future. But escaping the Lowlands and the ties that bind X might mean the ultimate sacrifice for them both. Gripping and full of heart, this epic start to a new series will bring readers right to the edge of everything.

*Eating Disorders* Rachel Bryant-Waugh 2013-03-05 Eating problems are common in children and teenagers. Yet myths about such problems abound and it can be very difficult to separate the facts from popular beliefs; unusual or disturbed eating patterns can be understandably bewildering and distressing for parents. Whatever aspect of your child's eating behaviour is causing you concern, this book will help you understand some of the more common reasons why problems arise, and will give you advice on what you and others can do to manage the situation. Written by two experienced clinicians, this new edition of *Eating Disorders: A Parents' Guide* is dedicated to clarifying the subject of eating disorders. Combining an accessible and straightforward introduction to the subject with practical advice, this book represents the first step towards recognising, understanding and dealing with the problem. Case-studies are used to help parents understand their children's experiences of this complex and challenging subject and sensitive advice is offered on a range of issues, including: how to identify a complete range of eating difficulties how to approach specific problems where to seek help and treatment. This book will be welcomed by anyone who is concerned about the eating habits of their children and will be invaluable to professionals working with those suffering from eating disorders.

*The Parents' Guide to Clubfoot* Betsy Miller 2011 Covers all aspects of clubfoot in babies and children, from diagnosis to treatment. Includes a short children's story about clubfoot.

*The Parent's Guide to Birdnesting* Ann Gold Buscho 2020-09-01 Take coparenting to the next level and provide a stable environment for your children as you and your spouse begin tackling your separation or divorce. For parents who are separating and want to put their children first, birdnesting could be the interim custody solution you've been looking for. Instead of the children splitting their time being shuttled between mom and dad's separate homes, birdnesting allows the children to stay in the "nest" and instead, requires mom and dad to swap, allowing each parent to stay elsewhere when not with the children. Initially popularized by celebrities, this method of coparenting is now becoming more mainstream as a way to help ease children into a new family dynamic. Birdnesting takes work and commitment but with Dr. Ann Gold Buscho's guidance, you'll learn everything you need to know about this revolutionary method. In *The Parent's Guide to Birdnesting*, you will discover the pros and cons, the financial and interpersonal considerations, and if it's the right decision for you and your family. **The Ordinary Parent's Guide to Teaching Reading** Jessie Wise 2004 An accessible primer on phonics-based teaching filters out the obscure, political, and gimmicky practices of typical programs to provide parents with simple steps on teaching children how to read, providing a wealth of tools, instructional advice, and easy-to-follow guidelines. Original. 10,000 first printing.

*The Everything Parent's Guide to Raising a Successful Child* Denise D Witmer 2011-12-15 As parents struggle with these questions on a daily basis, *The Everything Parent's Guide to Raising a Successful Child* helps put their fears to rest, providing them with professional, reassuring advice on how to raise a "successful" child according to their own standards. The Everything Parent's Guide to Raising a Successful Child walks parents through all emotional, intellectual, and physical aspects of development. It's the first step in establishing realistic expectations, setting boundaries, and helping shape the mind of a responsible, well-rounded, happy young adult.

**Start Here** Pier Bryden, M.D. 2020-01-28 From two of the top child and adolescent psychiatrists at The Hospital for Sick Children comes an accessible guide to common mental health struggles, such as anxiety and depression, for any parent wondering how to help their child. Is my child okay? Is she eating and sleeping enough? Is he hanging out with the right people? Should I be worried that she spends all her time in her room? Is this just a phase? Or a sign of something serious? As parents, we worry about our children—about their physical health, performance at school, the types of friends they have, and, of course, their mental health. Every day seems to bring new and expanding issues and disorders and troubling statistics about the rise of mental illness in children and teens. It's usually obvious what to do for physical injuries like broken bones, but when it comes to our children's mental health, the answers are much less clear, and sometimes even contradictory. Pier Bryden and Peter Szatmari, top child and adolescent psychiatrists, are here to help. Using their combined six decades working with families and kids—and their own experiences as parents—they break down the stigma of mental health illness and walk parents through the warning signs, risk factors, prevention strategies, and the process of diagnosis and most treatment for mental health challenges arising from: -Eating disorders -Anxiety -Psychosis -Sleep Disorders -Substance Use Disorders -ADHD -Autism -Depression -Trauma -Suicidal thoughts and behaviors The most important thing to remember as a parent is that you and your child are not alone. Wellness is a continuum, and there is a lot parents can do to bring their child back to a place of safety. The road ahead isn't always easy or straightforward, but this guidebook offers essential advice that every parent needs to advocate for their child.

**The Conscious Parent's Guide to Executive Functioning Disorder** Rebecca Branstetter 2016-01-01 Help your child feel confident and capable! If your child has been given a diagnosis of executive functioning disorder, you may be feeling overwhelmed and unsure of what to do next. You want your child to be able to master certain basic skills, such as being organized, staying focused, and controlling impulses and emotions. But what if your child is having trouble with one or all of these skills? With *The Conscious Parent's Guide to Executive Functioning Disorder*, you'll learn how to take a relationship-centered approach to parenting as you help improve your child's executive functioning skills: Task initiation Response inhibition Focus Time management Working memory Flexibility Self-regulation Completing tasks Organization Conscious parenting is about being present with your children and taking the time to understand how to help them flourish. With the strategies and advice in this guide, you and your child will build sustainable bonds, develop positive behaviors, and improve executive functioning skills for life. And you'll find that conscious parenting helps create a calm and mindful atmosphere for the whole family, while helping your child feel competent, successful, and healthy.

*The Everything Parent's Guide To Children With Asperger's Syndrome* William Stillman 2004-12-06 With *The Everything Parent's Guide to Children with Asperger's Syndrome* at your side, you'll take the first steps toward understanding this pervasive development disorder and how it may impact your child.
